Get drawn deeper into the action with an immersive curved screen and a Smart TV experience that puts you in control. Enjoy great picture clarity with Full HD 1080p resolution and greater blacks with Micro Dimming Pro. Access your favourite content quicker and easier with Samsung Smart TV powered by a Quad-Core Processor.

CURVED SCREEN

- Innovative curved design and UHD picture quality provides the ultimate immersive experience
- Curved screen widens viewing angles to provide an optimal viewing experience even from the sides
- Lifelike picture quality and curved screen are built to naturally match the shape of your eye

MICRO DIMMING

- Experience improved contrast, richer colors, and greater shadow detail in your favorite movies, TV shows, and media
- Enjoy brighter whites, deeper blacks and greater contrast with Micro Dimming Pro

SMART ENTERTAINMENT

- Re-engineered user interface allows for improved ease of use
- Sharing between mobile and TV got easier with the new Samsung Smart TV. You can watch TV content on mobile device and switch from mobile viewing to TV with just one click**
- Smart TV technology is powered by Tizen, an open-source platform that supports the web standard for TV app development
